01/02/2021 - CURRENT - Rome

Medical Doctor

CESMET - Clinica del Viaggiatore

04/09/2020 - CURRENT - Roma, Italy

Medical Doctor

Dott. E. Lucani

Substituting for Dr. E Lucani at his general practice office.

01/03/2020 - 08/08/2020 - Siquijor, Philippines

Volunteer at eco-friendly project in the Philippines

Wonderland through Workaway

Working at the development of a new project in the Philippines, on the beautiful island of Siquijor, building an international, eco-friendly guest house. Working any job needed (building/cooking/social media managing etc).

09/03/2019 - 30/10/2019 - Berkeley - California, United States

Trip Leader

Backroads

Leading luxury, active (hiking or biking) trips for American customers. Also being in charge of logistics, transportation, and dealing with partners and vendors.

Working with an international team on a tight and dynamic schedule, always in contact with head positions.

Speaking English with guests and co-workers, Italian or French with partners and vendors.

01/04/2018 - 07/09/2018 - San Francisco, United States

Observer MD at UCSF (medical genetics clinical research department)

UCSF - Prof. Shieh

As part of my post-grad education, I spent a semester at the University of California, San Francisco (UCSF) working as a clinical researcher on a neurodegenerative condition caused by a newly identified genetic mutation in the ferritin gene. The paper is currently under evaluation. I also shadowed Dr. Shieh on his shifts at the hospital, at the pediatrics department and at the medical genetics office.

14/01/2015 - 25/01/2019 - Catania, Italy

Resident MD: Medical Genetics - Rare Diseases

Policlinico G. Rodolico - Università di Catania

Working daily with in and outpatients, pediatric ones and adults. Dealing with any kind of genetic condition, from infertility to cancer, from neuropsychiatric disorders to rare syndromes. Autonomously performing pre and post test genetic consults, planning screenings and follow-ups for our patients, working with other departments for multi-disciplinary approach.
